### A 10-Step Guide to Physician Reinvention

- ◆ Ask yourself, “What do I do really well,” “For which of my skills do I get paid,” and “What activities do I find stimulating?”
- ◆ Write down every answer without judgment
- ◆ Discuss your answers with significant others
- ◆ Form a Mastermind group with colleagues to solve problems and achieve stretch goals
- ◆ Discuss your ideas with anyone who will listen
- ◆ Develop and demonstrate expertise by listening, writing, and speaking
- ◆ Chunk big projects into 2-week steps
- ◆ Reflect on your progress quarterly, making self-self comparisons over time
- ◆ Systematize your learning, so that you can teach others
- ◆ Celebrate all successes and be patient with yourself during your journey
